

Love You First

SIX Week Program Outline

(LYF: 6)

Below is an outline for the (LYF: 6) program. The focus area for each week is covered in your weekly sessions. It is then supported through daily exercises completed independently by you between sessions. The daily exercises that are assigned each week may include any combination of the items listed below. Each exercise will come with detailed instructions; informational resources and when appropriate, paperwork to be completed and discussed during your next session.

All proposed exercises are chosen based on your coach's judgment of what may help you achieve your weekly goal. You are free to negotiate any of the proposed exercises and choose a replacement accordingly.
